Who is Mary?

Mary is Jesus' mom.

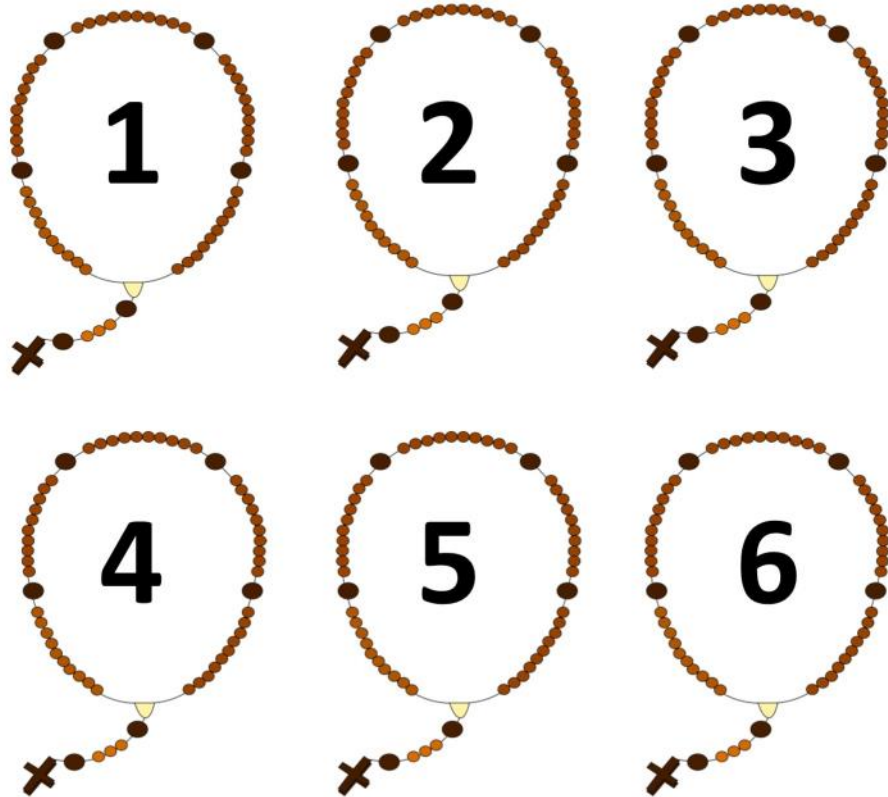

If Mary would appear to us today,
what do you think she would say?

Pray the rosary!

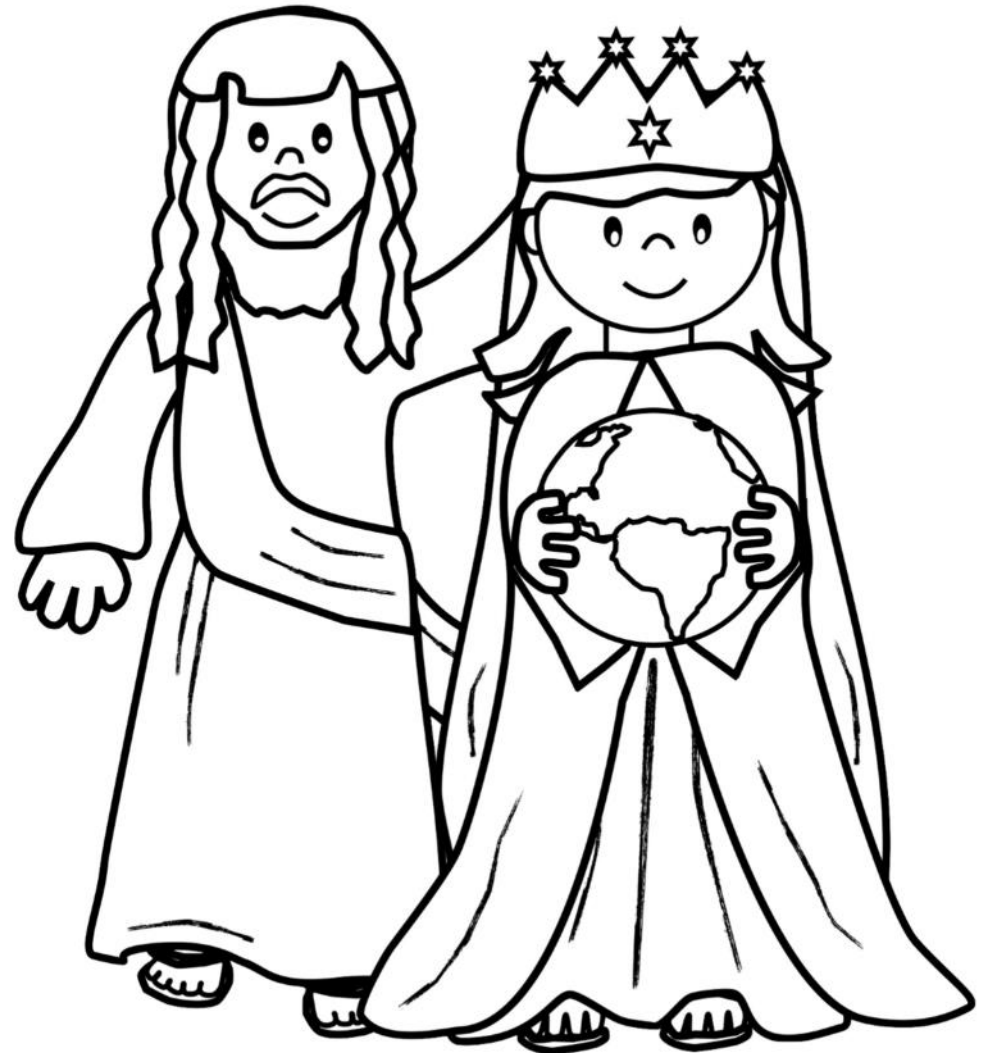

Mary appeared to Jacinta, Francisco,
and Lucia six times.

How many times did she tell them to
pray the rosary?
6 times

1...2...3...4...5...6 times!

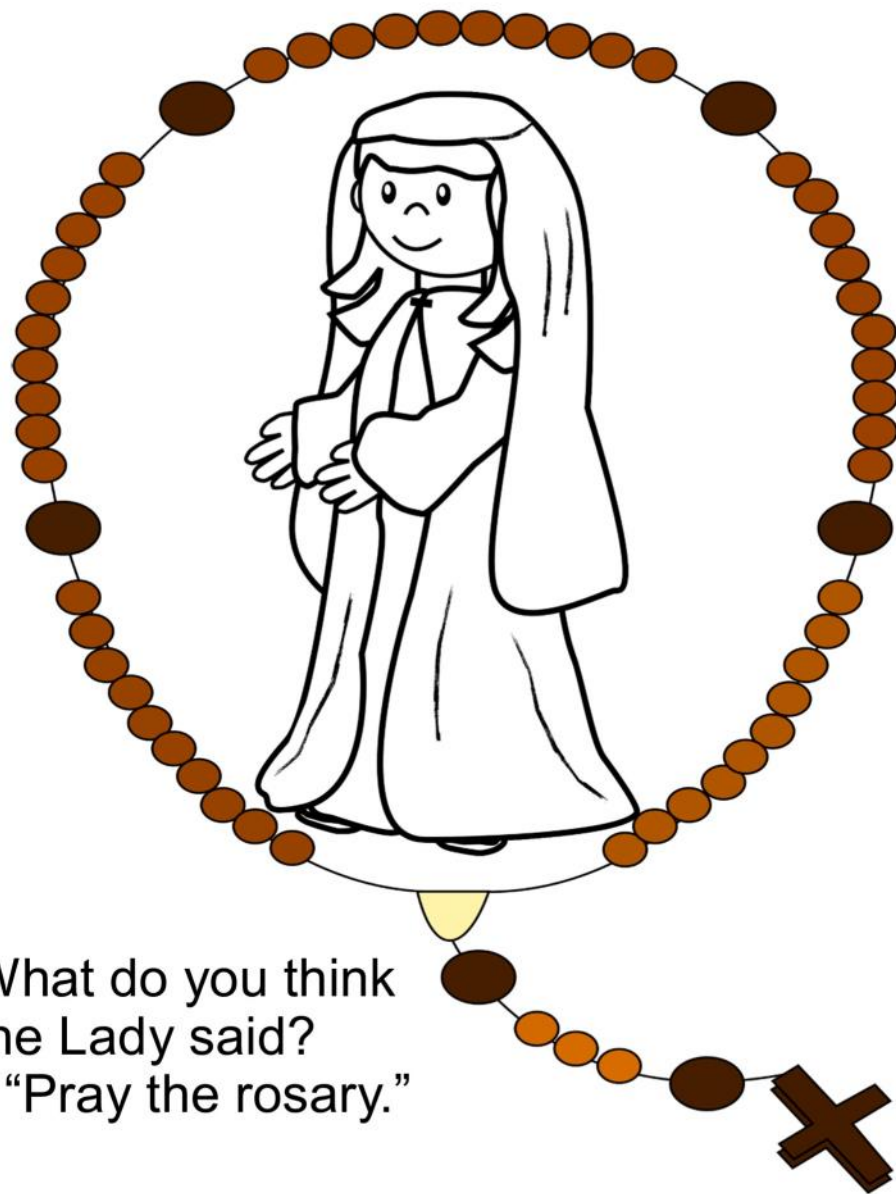

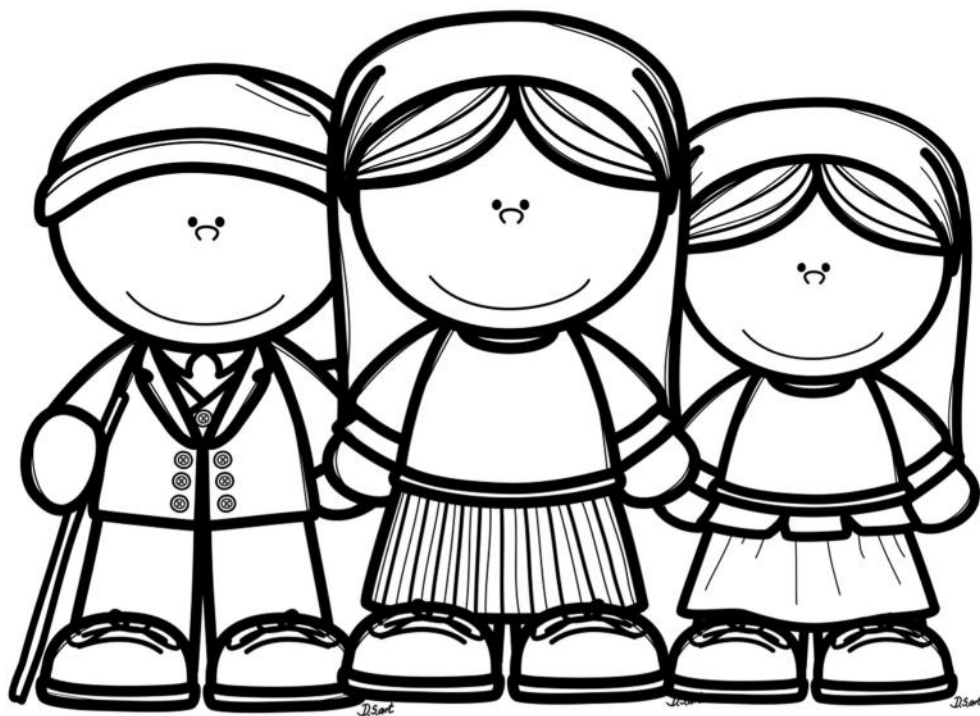

Mary is now in heaven with Jesus.

But sometimes Mary appears
to people on earth.

One of those times was in May of 1917.
Mary appeared to 3 children:

Lucia (10 years old),
Francisco (8 years old),
and
Jacinta (7 years old).

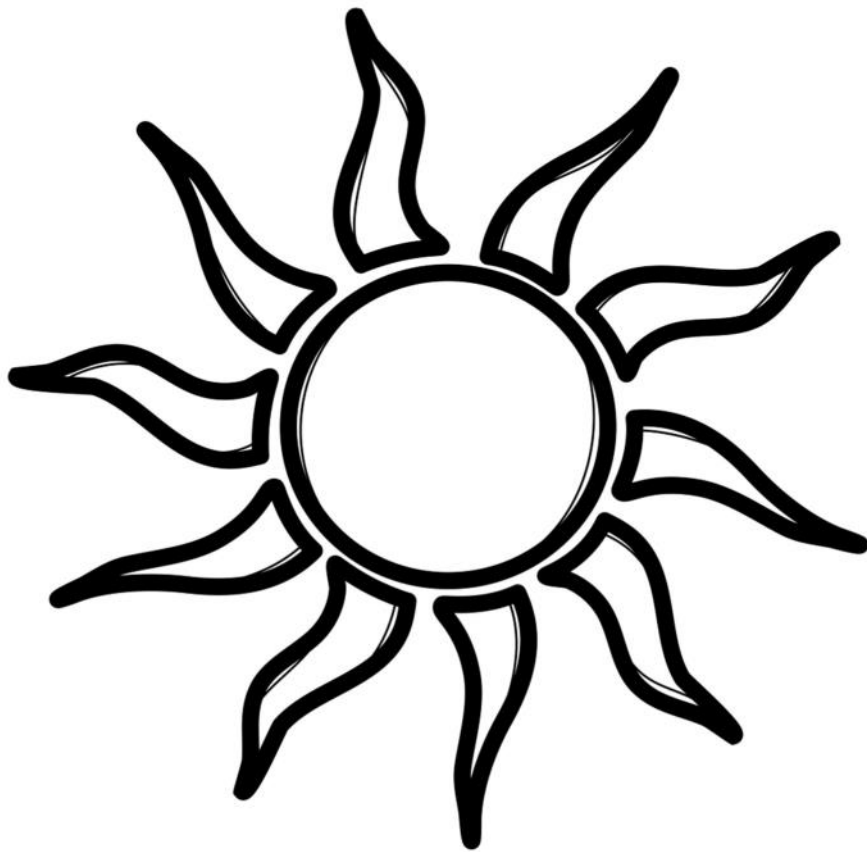

What do you think
the Lady said?
“Pray the rosary.”

The Lady also said,
“I am the Lady of the Rosary.”

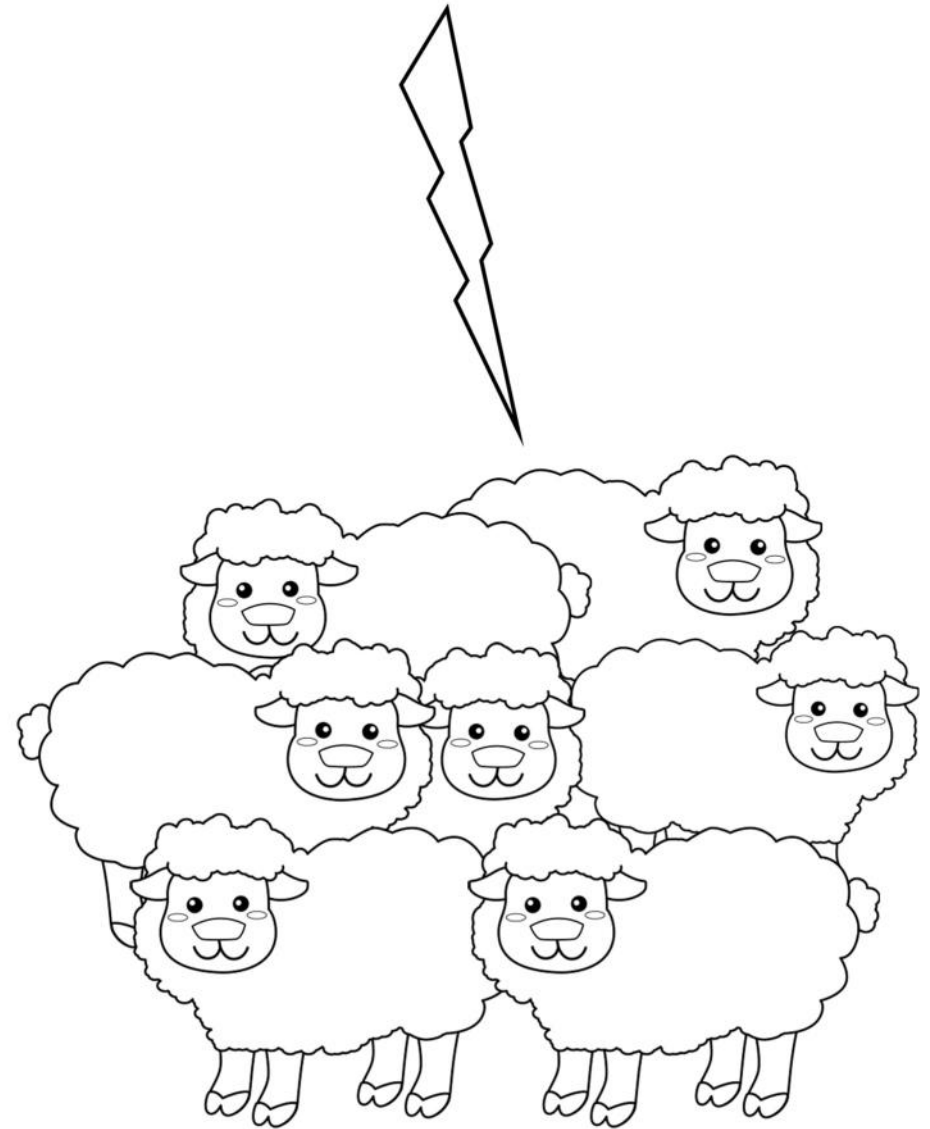

The children now knew that the Lady
was Mary, Jesus’ mom!

In October,
the Lady appeared to the children for
the sixth and last time. There were lots
and lots of people there.

On that day, the sun “danced” in the
sky.

The children were watching the family
sheep and playing games. They saw
what they thought was a flash of
lightning.

Then they saw a beautiful lady on top of a tree. The children did not know who she was.

The Lady said, "Please do not be afraid of me. I come from heaven."

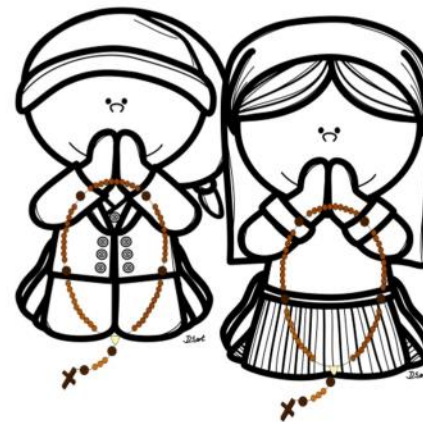

"Pray the rosary every day so there will be peace in the world."

In September, the Lady appeared to the children for the fifth time. There were lots of people there but they could not see or hear the Lady. Only the children could.

What do you think the Lady said?
Pray the rosary.

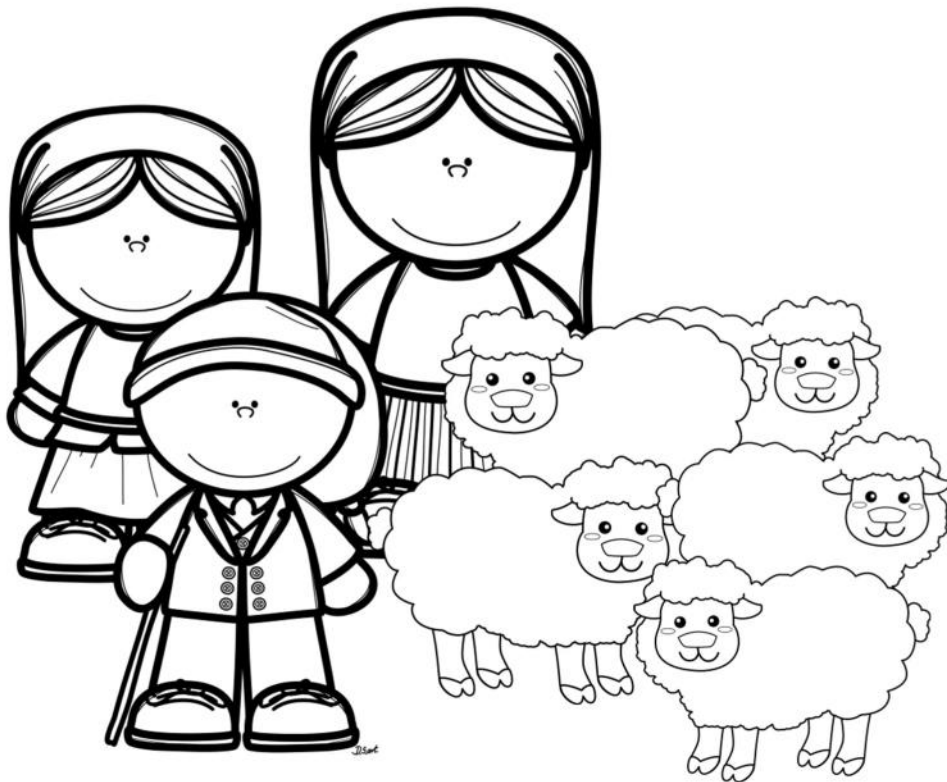

"Pray it every day."

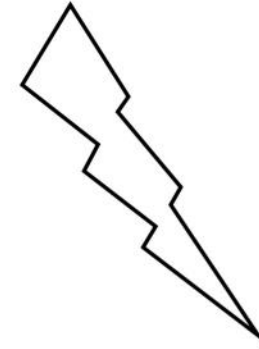

In August,
as the children took care of the family
sheep, the Lady appeared for the
fourth time.

What do you think the Lady said?
Pray the rosary.

“Pray, pray very much.”

In June,
as the children prayed the rosary, they
saw another flash of light.

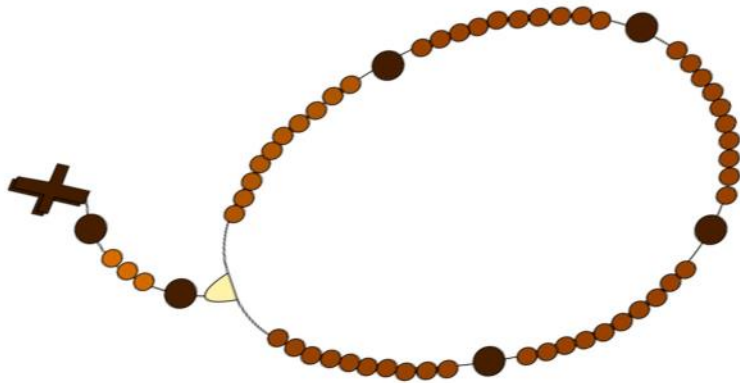

The Lady appeared to the children for
the second time.

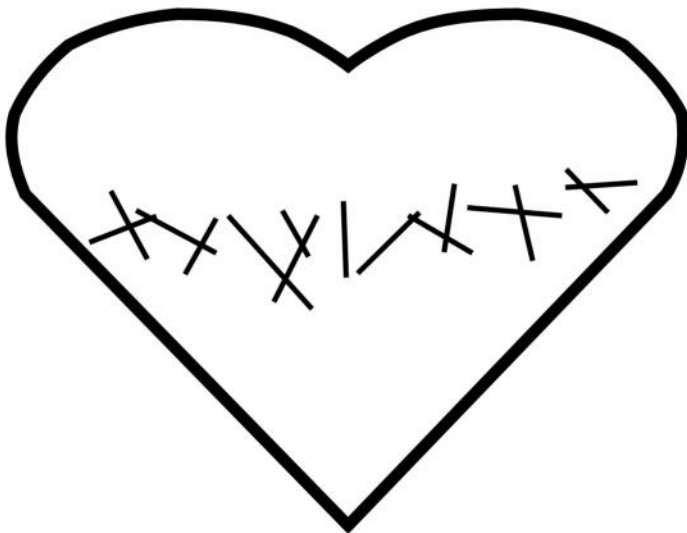

The Lady said,
“Continue to pray the _____”.

(rosary)

She showed them her Immaculate
Heart that was pierced with thorns.

In July,
the Lady appeared to the
children for the third time.

She told them 3 secrets that they
couldn't tell anyone.

She also said,
“Continue to pray the _____
every day”.

(rosary)
